To Parents and Friends of Mountain View Elementary:

This letter is being written on behalf of all the teachers of Mountain View Elementary School to say that we, as a faculty, are in 100% support of the establishment of a Foundation. We are aware of the phenomenal success that other local schools have enjoyed as a result of the establishment of a foundation and look forward to the same success at Mountain View.

We are entrusting a group of individuals who have voluntarily committed their time and knowledge to begin to establish the Foundation, in functions, goals and established priorities. We also know that we will have input in all of the decisions as they relate to programs and/or resources that will be afforded to the school. We have teachers whom we respect that will speak on our behalf on school related issues and concerns.

We sign this letter with the commitment that we will show our full support of the foundation by being involved in Foundation fundraisers and events by participating in and/or by serving on committees that work to sponsor such events.

As a faculty we want to pledge our support to the Foundation by contributing monetary gifts to help get the Foundation started. We thank you for your support and are very excited to reap the benefits that a Foundation is sure to bring our school.

Sincerely,

Marcia Kurtz
